Dear Parents,

Smart Card Electronic Toll Collection Scheme

In order to alleviate the administration workload of our teachers, a trial smart card electronic toll collection scheme will be carried out in F.1 and F.2. The details of this scheme have already been explained on the Parents' Day of 12/4 (please see the attachment). You will have to open a PPS account and deposit an amount of not less than HK\$200 before 30/4 if you have not done so. Should you have any enquiries, please contact Mr. Ha Chi Hung at 2576 0703 or by email: hachihung@gmail.com.

Yours faithfully,

Kwan Suet Ming
Principal, TLMSHK
